Dear Nancy:

We talked last year about a request for naming a street after my parents. At that time you told me I had to wait another year to present my request. So this letter is written to make that request again for an Alameda street to be named after my parents, Laverne and Fritz Randall. They spent their entire lives in Alameda, working for the community and giving of their time to the community.

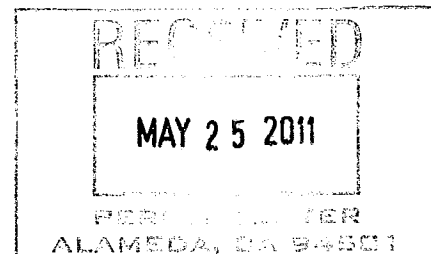

My father Laverne Francis "Monk" Randall was an 88 year resident of Alameda passing away in 2009 at age 97. He went to Porter grammar school and graduated from Alameda High School in 1930. He was Commercial Manager and Secretary of the Public Utility Board of the Alameda Bureau of Electricity when he retired after 40 years of service there. He was also Secretary/Treasurer of the Alameda Municipal Credit Union from 1942 until 1990. Dad was also a member of Alameda Elks Lodge #1015 for 74 years. He belonged to the Mastic Senior Center and was a previous member of the Alameda Rotary Club.

My mom, Fritz (Bush) Randall was born in the Bush family home at 1825 Nason Street. She lived her entire life in Alameda attending Washington grammar school and Alameda High School. She married Monk, her high school sweetheart at age 24 and worked for the Alameda School Department, Board of Education as secretary to the assistant superintendent of schools before starting a family at age 28. She raised 2 children in Alameda, was active in and President of the Lincoln School PTA. She was also very active with Children's Hospital until her death in 2007.

Please consider them as good candidates for an Alameda street name or other Alameda landmark. Let me know if I can provide you with any additional information that might help make this happen. Thank you.

Sincerely,

Gary Randall

Dear Nancy:

Here is a small request regarding a remembrance of a family member (s) for a Street name after them.

My father Mr. Laverne Francis "Monk" Randall has been the General Manager of the Bureau of Electricity for at least twelve (12) years before retiring in nineteen sixty-five (1965) and he was the Secretary--Treasurer for the Alameda Municipal Credit Union for at least ten (10) years before retiring in the early seventies (70's) when the interest was ten per cent (10%).

Monk was a member of the Alameda Elks Lodge #1015 and was a seventy-four (74) year member, Mastic Senior Center, and Scouts.

He was also in the Rotary Club.

My mother Fritz Llorina Bush Randall was a President of the P. T. A. of Lincoln School, Robin Hood, and the Childrens Hospital.

She was very active in many other functions.

Sincerely Yours
Gary Randall
